

Basic 4wd Skills Courses for 2010

The Basic 4WD Skills course has been developed to provide club drivers with the general four wheel drive knowledge & skills needed to safely participate in Club 4WD activities. All materials are supplied, apart from vehicle costs and camping fees. The competencies covered are:

SRODRV001B – Drive and Recover a 4WD vehicle
SROODR002A – Plan Outdoor Recreation Activities
TDTB497B – Carry Out Vehicle Inspection

Participants in this course must ensure that the club minimum recovery equipment is carried at all times. Each vehicle must have a UHF radio (handhelds OK).

The course is practical and aimed at the needs of recreational four wheel drivers. Successful participants will be awarded a Statement of Attainment in partial completion of a Certificate III in Outdoor Recreation through Four Wheel Drive Queensland Training.

Cost - \$80.00 Single, \$100.00 Couple (with one shared manual)

2010 Program

Course BOC1-2010
